The Garbage Man

When we think Marx, Nietzsche and Freud together it is often in acknowledgement of the massive interventions each of them makes to the theory of value and of the way those interventions delimit, and thereby endanger, man. No doubt his chief monument is the paper Studies in the Scriptures which he produced monthly and regularly for a period of thirty years from the beginning of until his death in This massive twenty-one volume collection features some of the best commentaries and studies on the book of Exodus from the late nineteenth and early twentieth centuries.
