Conditions influencing planetary potency include the following: exaltation, own sign, sign of a friend or enemy, debilitation, retrogression, combustion, dik bala directional strengthvargottama, condition of the dispositor and for the moon, brightness and the waxing phase Each planet has one constellation in which it is thought to function with supreme potency, known as exaltation.

### **Animals And Children**

I wonder if teachers are affected by the government shutdown. What I'm saying though, is that there are times when you'll see opportunity to do something really special for a customer, or for another human being, and when you do it, the ripples of your 'good pebble' can stretch around the world, and last for years and years.

### **The Mulholland Diaries**

Clarke'sworld is a monthly on-line magazine edited by Neil Clarke. Foundations of the Theory of Signs.
