We will combine individual items into one order in an attempt to save shipping costs. But Graeco-Egyptian magic, which was to a large extent conceived of as Hermetic, can certainly be seen in terms of translation and interpretation of native materials ; and the same can not be said of Hermetic alchemy and astrology. Before the Persians, Egyptian astrology was mainly horary and agricultural, in tune with the liturgical calendar, the passing of the hours, the calculation of the decans and with the Nile flood.
