It states that worldviews that were originally linked with religious traditions have shaped the culture of each nation or social group and have been transmitted to the citizens despite their Fight for Life orientation, not directly by the church or religious organizations but by the educational system, the mass media, the social networks. Drawn in great part from a rare and all-but-unknown collection of diaries and letters by the key figures, The Pioneers is a uniquely American story of people whose ambition and courage led them to remarkable accomplishments.
